

WILLIAM L. HELLER
113 Verplanck St.
BUFFALO, N. Y.

11-1-25

My Dear Sir:

May I express on behalf of
my Mother, 86 years old, shut in
since 1917 an appreciation of her
opportunity to again worship God on
Sunday morning - to hear the bells -
the Organ - the singing - to repeat with the
Congregation the Lords Prayer, and the
Collect to listen for the text so as to
search for it later, opening to her the
Gates of memory, of spiritual comfort
and the dream of that which is to be.

I thank you. Wm. Heller

Rev. Stanley M. Robertson,
Lockport, N. Y.

My Dear Rev. Robertson,

It surely was a pleasure to me to hear your wonderful sermon you delivered to your congregation yesterday Sunday the 15 th.

It was my good fortune to tune in just at the time the announcement was made of your sermon, and I am very glad to have done so as it was one of the best sermons I have had the pleasure of hearing in quite some time.

It came in through my receiver very plain indeed, In fact Mr. Robertson

I really felt that I was really among your congregation .

Your wonderful way delivering and the way you brought out your points surely must of given your listeners some food for thought.

Your text the unvoidable Christ must of certainly given your hearers much to think about as for myself I must admit it created a stronger belief in christianity and the fact that if a man doesnt believe in Jesus Christ he doesnt believe in him self.

I also wish to state that I heard the music and the singing wonderfully plain and which I enjoyed very much.

I felt after hearing your sermon that I must write you to let you know just how much I did enjoy it.

Trusting I may again have the opportunity of hearing you again , in fact I will try again.

With very best wishes,
I am Yours very sincerely.

My Dear Sir and Brother,

I am hoping, if the Lord will, to pay a return visit to the United States and Canada next Spring.

Dr. Riley and other Fundamentalists assure me of many engagements, but knowing of your warm interest in the great cause we have at heart I feel it incumbent upon me to advise you of my coming visit, and should the Lord so order it that opportunity should be afforded of visiting your vicinity I should count it a great privilege to have fellowship with you in this most important testimony for the Word of God.

I enclose a copy of the address I gave at Edinburgh last July, which the Lord is graciously using on both sides of the Atlantic.

Praying that the Lord may grant us the direction of His Holy Spirit in all these matters.

I beg to remain,

Most truly yours in Him we love and serve

Mrs. D. T. Dewey,
Springville, N. W.

My dear Mrs. Dewey:

Thank you very much for your kind letter of November 22nd. I am very happy to know that our service helped you. It is a great joy to us to hear from our friends in the radio congregation.

I am sorry I cannot enclose at this time a copy of last Sunday's sermon, but I am sending a copy of one preached sometime ago. It may help in the quarter you mentioned. It is astonishing how much doubt young people can acquire in our modern colleges. Unfortunately most of it is caused by casual remarks of professors who forget how much damage their remark may do. The average college professor deals so entirely with immature minds that he loses the true perspective on life.

Thanking you I am,

Very cordially yours,

November 27th, 1925.

Dear Rev. Robinson:

My hearing is defective, hence I do not attend our Presbyterian church regularly. Recently I have been one of your invisible worshippers and I want to tell you that your sermons are exceedingly helpful, especially yesterday morning. I use headphones, get every word, your voice is extra good and you know how to use it. I like to hear so that I am able to repeat. Since yesterday I've told several persons the important points of your sermon. In these days of unrest it's a relief to hear a clergyman who knows what he believes and is able to tell it.

I thank you.

Sincerely yours.
